Day 1

Welcome to your Overland Ireland tour!

You will meet our guide at your accommodation in Galway and they will direct you and the group to our local friends for a Walkin' Talkin' Tastin' tour of Galway!

Have them point out all their favourite spots while trying traditional Irish cuisine, tasting locally distilled gin, and learning about the rich history of Galway.

You'll have free time this afternoon to try on Claddagh rings, Galway shawls, and pass through The Spanish Arch to take in the famous Claddagh fishing village.

This city is a destination for both tourists and Irish people, where entertainment is always high on the agenda. Its quirky medieval streets are alive with street entertainers and musicians all day. Its historic buildings are now home to many wonderful shops, bars, and restaurants.

Day 2

From Galway to the Aran Islands to Westport

Total driving time: 1 hour 45 Minutes, excluding stops.

We leave Galway and drive west to Rossaveal Pier along the coast road. From Rossaveal, we will sail across Galway Bay to the Aran Islands. Our destination is the rugged Inishmore which is the largest of the three Aran Islands.

We will explore the island by cycling through its meandering roads. You can also choose a jaunting cart (Horse and Buggy) to bring you along the way. This is an optional added cost that we will be happy to arrange for you.

We will no doubt meet many locals and pick up a few words in "Gaelic" along the way. Our tour of the island will bring us to the stone fort of Dún Aengus, which lies 100m over the ocean, before making our way back to the mainland.

We then leave Rossaveal for Ireland's favourite town – Westport taking in the breathtaking views of Connemara National Park along our route. It's then time to ease into an unforgettable night in County Mayo. Unwind in Westport with some local craft beers and mouthwatering food. And no trip to Westport is complete without a visit to Matt Molloy's bar where you can enjoy a traditional Irish music session and some good old 'Craic – fun'.

Note: The Aran Islands ferry crossings are weather permitting. If it is unsafe to travel we will provide wonderful alternative plans for the group!

Day 3

Westport to The Hills of Donegal

Total driving time: 2 hour 30 Minutes, excluding stops

We love showing off Westport town and it's gorgeous little shops bursting with nick nacks, antiques and Irish crafts. This could be the perfect opportunity to do some retail therapy on tour or our friends in Westport will while away the morning with you on a walking tour of the town.

Up north we go travelling through County Sligo and making a wonderful loop of Mullaghmore, taking in Cassiebawn Castle – owned by Lord Mountbatten when he was tragically killed. Here you will begin your education on Northern Irish history and get a great insight into the contrast between the north and south of Ireland.

You are in for a treat. Before settling into the 5 star Lough Eske Castle Hotel and enjoying this luxury experience we will stretch our legs at Glencar's magnificent waterfall. Donegal's rugged wild landscape will take your breath away as will the charming locals! You'll have to retune your ears to understand their sing song lilt!

Tonight is all about treating yourself on the grounds of the castle and embracing your inner King/Queen at the home of the powerful O'Donnell Clan from the 14 th Century.

Day 4

Donegal to Derry

Total driving time: 3 hours, excluding stops.

Now it is time to explore the North West: the Hills of Donegal. We continue our Wild North and West Tour and embark on a magnificent drive over the Glengesh Pass and the Assaranca Waterfall. Discover remote stunning beaches, hidden caves and amazing views all round.

Continue your exploration of the gorgeous hills of Donegal at the newly established Ardara Distillery. Learn about the tradition of whiskey and even have a taste of what Irish playwright George Bernard Shaw described as “liquid sunshine”.

Our next stop is Derry, Northern Ireland's second largest city, which is steeped in rich Irish history. We provide a walking tour of the city, helping visitors to learn about the Troubles. Derry is also here where we will spend the evening. Enjoy the amazing restaurants Derry has on offer.

Day 5

The Giant's Causeway to Belfast

Total driving time: 3 hours, excluding stops.

Today will be both a test of mental strength and a celebration for your soul. The Giant's Causeway is one of the most anticipated experiences in this small group tour of Ireland and it never disappoints.

The Causeway Coastal Route is breath-taking to say the least. If you have the nerve, cross the Carrick-a-Rede Rope bridge and feel the exhilarating air beneath your feet.

The opening of the bridge is weather dependent, but we can take in a visit to Dunluce Castle and hear great tales of battles fought won and lost in the middle ages.

Game of Thrones fans will have officially landed in their spiritual home as we take a sneak peak at one of its most famous filming locations: The Dark Hedges.

Wake up and begin the day with an enthralling black cab tour of Belfast. This tour is optional but highly recommended, this can be arranged with your guide. Alternatively, if you just need to take a break and relax, you can spend some time exploring the city's coolest pubs, shops, and restaurants.

Day 6

Belfast to Newgrange to Dublin

Total driving time: 2 hours 30 minutes, excluding stops.

On this final morning, get ready for the full Titanic experience at Titanic Belfast.

This splendid interactive visitor centre covers not only the building and sailing of the infamous ship, but also the industrial history of Belfast and those who were integral in the building of the Titanic. Prepare to be moved by the wonderful stories told about the world's most famous ship.

Last but not least, we will visit the magical stone age passage tomb at Newgrange, richly decorated by neolithic art. On some dates Newgrange is swapped for the amazing ancient ceremonial and burial site: the Hill of Tara.

All good things must come to an end! We will say our fond farewells in Dublin City. If you have some time left in Ireland and would like to spend some time in Dublin your expert guide will arm you with great recommendations for things to see and do in the capital.
