Last but not least is your night in the historic port and fishing town of Kinsale! It is renowned for its arts, crafts, and most importantly its food. There is no better place to enjoy a delicious meal of seafood or even a relaxed tapas evening! Your guide will point you in the right direction!

## Day 11

### Kinsale To Dublin

Wake up refreshed and meet our local guide, Barry, who will take you through the streets of Kinsale for a fascinating historical walking tour!

Before leaving Cork – which is often referred to as Ireland's REAL capital – we will bring you to Blarney Castle and Gardens. Nobody should leave Ireland without giving the Blarney stone a big fat kiss! Kissing the stone is said to give the kisser the treasured “gift of the gab”. You can let us know if it works!

The final stop on this tour of Ireland is the Rock of Cashel. This mystical place is over 1,000 years old! You will take in its medieval round tower, chapel, cathedral, and castle... a truly fantastic end to your trip.

Our guides will journey back with you to our bustling capital city, Dublin, where you'll be armed with great recommendations of things to see and do if you have a little time left. Perhaps this is the perfect opportunity to sit back and reminisce about the incredible experience you've just had... and to start daydreaming about more tours of Ireland in the future!
