...our reviews speak for themselves!

"Better than I can possibly have imagined. Pat O'Mara was the best tour guide we could've ever had"

Mary Boshears on Google

"This tour exceeded our expectations! Our tour guide, Seamus, guided us with his knowledge, his humor, and his love of Ireland! The accommodations were lovely! (I would happily return to any of the places we stayed.) This tour had a little of everything...biking, hiking, walking tours of the towns, and sightseeing! Castles, stunning vistas, seaside cliffs, pubs, and new friends - what more could you ask for on a trip?! Our group all had tears as we departed. ENJOY!!!"

What to Expect from this Ireland Tour From Dublin?

On this 7-day Ireland itinerary, our adventure starts with a goodbye as we say so long to Dublin! Travel south to Cobh, in County Cork, then along the county's beautiful coastline and on to the medieval Rock of Cashel. With a thirst built up, it's time to visit the famous Middleton Whiskey Distillery. This historic gem, dating back to the 17th century, offers a tour and of course, whiskey tastings! The next day, you will have the opportunity to kiss the Blarney Stone - the perfect start to your magical adventure.

Enjoy a full drive of the Ring of Kerry and get your feel for the land before we embark on our first island excursion to Skellig Michael. Go in search of puffins, gray seals, and Jedis at this jagged crag off the coast of Kerry. May the force be with you as you step onto one of the most dramatic filming locations in the recent Star Wars movies and tackle the 618 steps on the Skellig Michael Experience.

Rest your sea legs back in Killarney National Park, where you can embark on bike rides or kayak on the lake. If you prefer, you can take a guided tour of Ross Castle instead. We'll then take a hike across the spectacular Cliffs of Moher on the Wild Atlantic Way and explore the intriguing Burren region. Depart for the ocean once again to tour the spectacular Aran Islands, where you'll be immersed in Irish island life.

This 7-day Ireland itinerary offers an authentic experience of Ireland you won't find in the guidebooks or movies. Meet the locals, sample our delicacies, and see many of our greatest wonders as you embark on the tour that packs in everything from island hopping to a spot of city shopping.

Dublin To Cobh, County Cork

Total driving time: 3 hours 30 minutes, excluding stops

Our Irish adventure begins as our small group tour leaves Dublin and heads south to Cobh, in County Cork - one of the world's finest natural harbors and where the last 123 passengers boarded the doomed Titanic on her maiden voyage.

As we journey through County Cork with its wild beaches and jagged peninsulas, we'll take in the 1000-year-old Medieval Rock of Cashel. Your expert local guide will take you on a tour of the well-preserved round tower, Cormac's chapel, and the breathtaking cathedral and castle! Take the first of many jealousy-inducing photos of this historical masterpiece!

After building up a thirst, we'll make our way to the world-famous Midleton Distillery, dating from the 17th century and home to some of the best whiskies in the world. There is so much to taste and learn at this oldest distillery whiskey museum and visitor center and we'll enjoy lunch and a tour with a few cheeky samples!

The night will be spent in Cobh, soaking up the beautiful harbor views, colourful houses and bustling nightlife.

Note that the itinerary can change due to weather conditions, traffic, events, etc.

Day Two

Blarney & The Ring Of Kerry

Total driving time: 3 hours 45 minutes, excluding stops

Before embarking on our small group tour of Kerry, you can tick off a very important item on your bucket list of Ireland - kissing the Blarney Stone! Here, you'll receive the "gift of the gab" and will soon be talking like the loquacious locals.

We'll then explore Blarney Castle with its beautiful grounds, gardens, and rock close.

After lunch, we'll enter the panoramic Kingdom of Kerry, where you can wander the streets, shops, and delights of picturesque Kenmare. This is your gateway to the Ring of Kerry experience - Ireland's most scenic and celebrated drive.

Tonight, we travel towards the little fishing village of Portmagee with its twinkling harbor lights to get ready for our first island trip to Skellig Michael. For those who prefer 'terra firma' and stay on the mainland, we have another excellent option up our sleeves.

Note that the itinerary can change due to weather conditions, traffic, events, etc.

The Skellig Michael Experience

Total driving time: 1 hour 45 minutes, excluding stops

There are only a very select few places on this planet that can be described as “out of this world” and Skellig Michael is unquestionably one of these. Today we will journey to a “galaxy far, far away” and go Jedi Spotting. But before it was Luke Skywalker’s sanctuary, it was home to monks who used its perfectly preserved beehive huts to pray and contemplate.

This is a sublime sanctuary, home to much wildlife and natural fauna; a place of peace and power where the presence of the monks can still be felt.

However, if you’d rather stay on dry land, your guide will take you to visit the ancestral home of Daniel O’Connell, the great Irish liberator, orator, lawyer, politician, and statesman. Derrynane House, near the white dunes of Caherdaniel Strand, is a 19th-century residence that is home to many of our famous patriot’s personal artifacts.

And if the walls could talk, they’d tell of debates, rebellions, United Irishmen, nearby fairy kingdoms to explore, beach walks to undertake, and an Ogham Stone, featuring the oldest form of Irish writing. After this cultural extravaganza, it’s off for a gentle walk around Bray Head where you’ll be treated to an oceanic panorama of the rugged beauty of the Skelligs and nearby Valentia island. After a great day of sightseeing on land or at sea, it’s off to enjoy Killarney - The capital of Kerry.

Note that the itinerary can change due to weather conditions, traffic, events, etc.

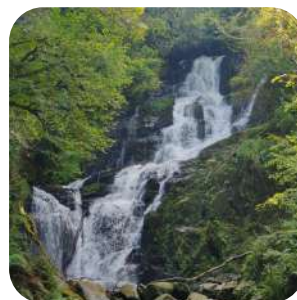

The Killarney Experience

Total driving time: None!

Our day begins in the spectacular Killarney National Park by kayak! You'll explore the park and enjoy Ross Castle and magical woods and caves all from the seat of your own personal kayak.

You will also be able to venture deeper into the Ring of Kerry by exploring Torc Waterfall, Muckross House, and more!

After all the excitement and activities on your tour, you will appreciate some downtime in Killarney. Spend the afternoon listening to traditional Irish music, doing a bit of shopping or maybe even signing up for a brewery tour and a nice pint!

Note that the itinerary can change due to weather conditions, traffic, events, etc.

Day Five

Cliffs Of Moher & The Burren

Total driving time: 3 hours 30 minutes, excluding stops

A visit to a traditional sheepdog demonstration will leave you feeling awestruck. Seeing the skill of the farmer, not to mention his furry friend, is a truly jaw-dropping experience. For many of our guests, this is one of the most memorable activities of the entire trip.

After this, we hop on a ferry to County Clare, home of the world-famous Cliffs of Moher, and explore the Burren National Park. From Caherdaniel to the cliffs themselves, we are surrounded by spectacular natural beauty at every turn.

Seeing the Cliffs of Moher in all their glory, with the roaring Wild Atlantic as the perfect soundtrack, is a memory that will stay with you forever. Your Overland Ireland guide will take you on an off-the-beaten-track hike over the cliffs. Along the way, they will point out secret pathways and passages that you can't find in guidebooks.

And when the sun sets settle in and enjoy your evening in one of county Clares most charming villages. Your stay will either be in Doolin with its colorful houses and charm or Spanish Point with its breathtaking coastal location.

The Aran Islands

You will be transported to the Aran Islands by ferry

It's only a short trip on the Doolin ferry to Inishmore - the largest of the Aran Islands. The magnificent Aran Islands are romantically remote and have inspired many a poet and playwright!

The best way to traverse the island is by bicycle, taking in the many ancient sites as they unfold. Landmarks include the medieval Christian ruins of the Seven Churches and Clochán na Carraige and the ring fort of Dún Aonghasa, which lies 100m over Galway Bay.

From here we will take a short drive to the City of the Tribes - Galway - Renowned for its culture, medieval history and bohemian atmosphere. Every night is a Friday night in Galway City.

Tourists, locals and students alike flock to the city to enjoy the electric atmosphere along the narrow streets where musicians, poets and dancers show off their boundless talents. This is a city well deserving of its award as The Culture Capital of Europe 2020.

Note: The Aran Islands ferry crossings are weather permitting. If we feel it is unsafe to travel we will provide wonderful alternative plans for the group!

Note that the itinerary can change due to weather conditions, traffic, events, etc.

Galway To Dublin

Total driving time: 2 hours 30 minutes, excluding stops

We have one final adventure for you before we say our tearful goodbyes. Meet our fantastic partners at WeWheel who will take you on a memorable E-Bike tour of Galway City. Learn about Galway's Medieval history, culture, and traditions while whizzing around the streets.

If you prefer to spend the morning getting to know the great bohemian city of Galway, you can opt for some free time. Try on wool shawls, and Claddagh rings before picking up some last-minute gifts to bring back with you.

Late afternoon you will be taken back to Dublin City armed with great recommendations of places to see and things to do if you have a couple of days left in the Emerald Isle. On the journey back over 40 shades of green, why not reminisce about your time on this best small tour group ever!

Note that the itinerary can change due to weather conditions, traffic, events, etc.
