But don't just take our word for it...

...our reviews speak for themselves!

"Better than I can possibly have imagined. Pat O'Mara was the best tour guide we could've ever had"

Mary Boshears on Google

"This tour exceeded our expectations! Our tour guide, Seamus, guided us with his knowledge, his humor, and his love of Ireland! The accommodations were lovely! (I would happily return to any of the places we stayed.) This tour had a little of everything...biking, hiking, walking tours of the towns, and sightseeing! Castles, stunning vistas, seaside cliffs, pubs, and new friends - what more could you ask for on a trip?! Our group all had tears as we departed. ENJOY!!!"

Cork, The Rebel County

Total driving time: 3 hours 30 minutes, excluding stops.

Your adventure holiday in Ireland begins as we depart Dublin for County Cork, nestled in the stunning southwest corner of Ireland. En route, we make our first stop at the famous Rock of Cashel. Here, you can explore its well-preserved medieval round tower, cathedral, and chapel.

Then it's back on the road to Cork, which Lonely Planet describes as "at the top of its game, sophisticated, vibrant and diverse". We're here for one of Ireland's most quintessential experiences – kissing the Blarney Stone! According to legend, if you kiss this ancient stone, you may get "the gift of the gab". There's only one way to find out!

The Blarney Stone is in Blarney Castle, a striking medieval stronghold set in beautiful grounds. We explore the picturesque gardens and the mysterious Rock Close, a special, mystical spot with waterfalls, a fairy glade, and rocks named for druids and witches.

Your Cork experience continues with a guided walking tour through one of southwest Ireland's most picturesque places – the historic port and fishing town of Kinsale. Kinsale is home to castles, forts, shops, galleries, and an array of arts and crafts. It's also where you can find the recently launched Kinsale Gourmet Academy.

We spend the first night of our one-week Ireland itinerary in this stunning harbor town. The good news is that Kinsale is also renowned for having award-winning restaurants, not to mention dramatic scenery. There's no better place to enjoy a delicious meal (consider the fresh seafood!) and take an evening stroll.

Note that the itinerary can change due to weather conditions, traffic, events, etc.

Day Two

Killarney National Park

Total Driving time: 3 hours 30 minutes, excluding stops.

We say a fond farewell to Kinsale and get back on the road, this time towards Killarney National Park. This part of the journey is filled with spectacular sights and hidden gems, with highlights including Ladies' View and Moll's Gap.

When we arrive in Killarney National Park, you can hop on a bike and enjoy a two-hour ride around the wonderful surroundings. Some of the sights to take in include Muckross House and Gardens, Torc Waterfall, and Ross Castle! Cycling through the park is a joy, especially for nature lovers, and is often recalled as a highlight of these adventure holidays in Ireland by our guests. You have a choice of trails to follow, but each one is fantastic and offers its own splendor.

We then head to the celebrated, cozy coastal town of Dingle, where we stay overnight.

The evening is yours to sample the atmosphere in the town's famous quirky pubs and to enjoy dinner in one of its fantastic restaurants. You may even stumble across an unforgettable traditional music session! And if you're looking to enjoy that perfect pint of Guinness, this just might be the place!

Note that the itinerary can change due to weather conditions, traffic, events, etc.

Dingle

Total driving time: 2 hours, excluding stops.

The third morning of this seven-day trip to Ireland starts with more action! Choose your activity by either kayaking amongst the marine life in Dingle Bay with our friends at Irish Adventures or e-biking around Dingle Peninsula! The e-bike tour is self-guided and takes you along the Sleah Head Loop. Riding these bikes is a breeze – you can cover plenty of ground with only minimal effort! If you can't say no to kayaking, you can still enjoy the Sleah Head Drive experience on our bus in the afternoon.

Those who cycled the route in the morning have an afternoon of visiting Dingle's great cafes, quirky craft shops, inviting pubs, and more to look forward to! We spend a second night in Dingle, so you don't have to worry about packing your suitcase again!

Note that the itinerary can change due to weather conditions, traffic, events, etc.

Cliffs Of Moher

Total driving time: 3 hours 30 minutes, excluding stops.

Our grand adventure holiday in Ireland continues as we travel north. While we have to leave Dingle behind, you can marvel at the incredible views of Castlegregory as we go. But that's not the only treat in store this morning! One of our local farmer friends will astound you with a sheepdog show! Watching the border collies work in tandem with their master is truly fascinating and a taste of Irish heritage.

We then take the ferry across the River Shannon, landing in County Clare, home to the spectacular Cliffs of Moher, on the other side. The cliffs are one of Ireland's most iconic attractions and a firm favorite with guests on this one-week Ireland itinerary. We have the pleasure of exploring them on foot during a two-and-a-half-hour hike! The dramatic coastline and fresh sea air will reinvigorate you!

Your guide will take you off the beaten path, showing you secret passages away from the main tourist hot spots. The cliff views are steeped in myth and wonder. If you listen carefully, the wild Atlantic Ocean's roar may echo your name on the waves of bliss. This is the perfect place to take jaw-dropping photos to show everyone at home!

Spend the night in either Doolin or Spanish Point. Each locality is equally spectacular; Doolin with its colorful houses and charm, and Spanish Point with its breathtaking coastal location. Indulge in some Irish music and craic during your stay!

Note that the itinerary can change due to weather conditions, traffic, events, etc.

Day Five

Galway, The City Of The Tribes

Total driving time: 2 hours, excluding stops.

In the morning, we leave County Clare and head for Galway, via the Burren National Park. Along the way, we will have a quick break and photo-op at the 16th-century Dunguaire Castle, located in the quaint, charming fishing village of Kinvara.

Galway is known around the world as a city of festivals and culture. In fact, the city was the European Capital of Culture in 2020, a year-long celebration of all that Galway is famous for.

Galway is a medieval city with true living history. Many of its buildings date back hundreds of years, now serving as fabulous restaurants with locally sourced produce, lively bars, and craft shops. Pubs painted in bright colors heave with live music, while cafés provide front-row seats for watching street performers, musicians, and a whole host of local characters.

Enjoy a walking tour through this historical and cultural city. And after discovering Galway's hidden gems, you have a free afternoon. This is the perfect time for shopping in the city's many wonderful shops. And when you've had your fix of retail therapy, you can explore Galway's great food, entertainment, and craic.

You may just find yourself watching Irish street dancing while tapping your feet to the pulse of pure Celtic music.

The Aran Islands

Total driving time: 2 hours, excluding stops.

This morning you will journey the coast road back to Rossaveel pier where you will sail to the famous Aran Islands, another popular highlight of our adventure holidays in Ireland. On arrival, we do what we do best – explore! This spectacular island has awe-inspiring landscapes and friendly locals who will teach you a few words in “Gaelic”. We cycle the island’s rugged coastline, heading toward Dún Aonghasa, a ruined stone fort standing on a clifftop 100m above the ocean.

When we return to the mainland, the stunning views continue. This time, it’s those of Connemara National Park. Our ultimate destination is Ireland’s favorite town – Westport. This is the perfect base to explore nearby Killary Harbour, the only natural fjord in Ireland, and other hidden gems in the area.

It’s then time to ease into an unforgettable night in County Mayo. Unwind in Westport with some local craft beers and mouthwatering food. And no trip to Westport is complete without a visit to Matt Molloy’s bar where you can enjoy a traditional Irish music session and some good old craic.

Note: Ferry crossings to the Aran Islands are weather permitting. If it is unsafe to travel, we provide wonderful alternative plans for the day.

Note that the itinerary can change due to weather conditions, traffic, events, etc.

Westport - Dublin

Total driving time: 3 hours 30 minutes, excluding stops.

The final morning of this one-week Ireland itinerary comes with a final challenge: climbing Croagh Patrick, Ireland's holiest mountain. This is a rewarding hike for novices and experienced hikers alike. It's also one of the best places to learn about St Patrick himself. At the summit, you will be rewarded with panoramic views of the 365 islands in Clew Bay. What a perfect way to finish your active tour!

Before you head back to Dublin reminiscing about the memories made on your seven-day trip to Ireland, our expert guides will give you their favorite recommendations of things to see and do if you're staying in Ireland for a while longer.

Note that the itinerary can change due to weather conditions, traffic, events, etc.
