"We worked with Liz at Overland Ireland for a custom, self-guided 9 Day Tour and we could not be more happy with our experience! Liz was a pure JOY to work with, answering all of my questions and helping to create THE best tour that was exactly everything we wanted! I cannot recommend Overland Ireland enough - they know all the best spots, and make the experience so easy! We would never have had such an amazing trip without their help!!"

"My adult daughter and I did the ultimate 10-day self-driving tour in the summer of 2022 - I meant to write my review then and didn't get to it. Having the entire trip put together with the convenience of the app while enjoying the personal experience of being on your own was the ideal balance for us. We were able to see and learn about Ireland as though we were with a local guide. All of the accommodations were outstanding and the team went out of their way to help us with questions and anything we needed. I highly recommend this trip and tour company. If the idea of driving a car is stopping you, don't let it. The narrow roads and, for me, driving on the other side, was intimidating when I was first looking into this, and it ended up being something I really enjoyed about the trip. My daughter wasn't yet 25, so she couldn't drive and I had to do all of the driving and none of it was difficult. We saw things you couldn't see from a larger tour vehicle and I really enjoyed that. Ireland is so beautiful to see. The tours and excursions were incredible experiences. So many memories. My photos don't cover it all, but I hope you get something from them. The baby lamb was an experience we just found along the way. There was road- bowling in action, I don't have a photo of this because I was driving, but it's something rare to see and we just happened to be there...don't hesitate to do this if you can.!!!"

You cannot come to Waterford without a quick visit to the Waterford Crystal Centre. Wexford – Hook Peninsula

Every type of person is said to have roamed Tintern Abbey: knights, monks, and scoundrels alike. You will hear all the stories on your tour!

Next up is a hike up to the world's oldest operational lighthouse overlooking the Hook Peninsula. Take the time to stroll around the headland and down to some of the castle ruins along the shoreline. You will have the opportunity to explore the coastline by kayak today.

Day Five

The Ring Of Cork – Kinsale

Total driving distance & time: 70km–1 hour 30 minutes

You have without a doubt heard about the Ring of Kerry, but today you will embark on the Ring of Cork Heritage Trail. Marvel at the same standard of beautiful landscapes as the Ring of Kerry, but with none of the traffic!

Your first stop is the Titanic Experience in Cobh. This is one of the best experiences on tour, giving you a truly personal take on the tragedy that was the Titanic's maiden voyage. The world's most famous ship made its last port of call in Cobh before sealing its fate on the Atlantic Ocean. Next up is the Jameson Distillery in Midleton.

Only a short drive from Ballycotton, this is the perfect opportunity to learn how Ireland's favourite whiskey is crafted. From the smoky taste of black barrel to the oaky flavours of the original, this experience is perfect for the whiskey connoisseur in your group. We veer off the Ring of Cork to stay at our next destination - Kinsale, the Gourmet Capital of Ireland.

Here, you can enjoy some downtime wandering the colourful streets and laneways. Kinsale has a great tradition of poetry as well as gold, silver, and glassware manufacturing. This means the town's shops and galleries - the latter of which boasts local talented artists - are filled with amazing examples of these crafts. Get a great night's sleep in your locally run guesthouse this evening.

Kiss The Blarney Stone!

Total driving distance & time: 300km – 3 hours 40 minutes

On the last morning of this self-drive tour, you get to meet Barry! He is one of our favourite friends in Ireland and will bring to life the history of Kinsale. This local legend will share tales of the Spanish Armada, British Rule, and the sharpening of swords.

Before making your way back to Dublin's fair city, you **MUST** stop at Blarney Castle to kiss the stone! Legend has it that you will receive the gift of the gab (chatterbox) after giving it a big smooch. Many of us Irish owe our storytelling talents and yarns to the Blarney Stone! Now you know our secret!

And if you're looking for great things to see and do in Dublin, we've got all the recommendations you'll need! Or you could also link up with another Self-Drive Tour of the North or West of Ireland. The choices are endless.

And one last tip: Don't forget to leave plenty of time for your VAT return at the airport!

Note that the itinerary can change due to weather conditions, traffic, events, etc.
